Sea Priority SPGO on SWAX

Dear Valued Customer

With the ever increasing struggle for space and limited allocation on every voyage, please take a note that with immediate effect Sea priority GO (SPGO) will be applicable to all bookings made to East Africa on our SWAX service.

Please ensure this is selected at booking level to avoid bookings being declined.

Basis SPGO booking, we will evaluate the possibility to accommodate booking or not.

Current Quantum is USD 500/unit and charges for the same will be visible once selected at booking level. SPGO bookings cannot be merged / split, so please ensure your office is updated on the same and careful with this.

Thanks to ensure same is intimated internally within your office.
